**Government-  
Furnished  
Property**

It is the policy of the Laboratory that subcontractors are expected to furnish all property necessary to perform a subcontract.

Indicate whether the subcontract may require the subcontractor to

- ☐ purchase property (subcontractor-acquired property)  
☐ obtain property from the Laboratory (government-furnished property)

If property purchased under this purchase request will be shipped off-site, indicate where:

If another subcontract justifies this off-site shipment, reference that subcontract number:

**Environ-  
mental**

Indicate whether the work to be performed under the subcontract will involve:

- |   |   |  |
|---|---|--|
| <input type="checkbox"/> environmental restoration    | <input type="checkbox"/> analytical support         | <input type="checkbox"/> air quality       |
| <input type="checkbox"/> environmental protection     | <input type="checkbox"/> environmental technology   | <input type="checkbox"/> water quality     |
| <input type="checkbox"/> waste management             | <input type="checkbox"/> health and safety training | <input type="checkbox"/> health and safety |
| <input type="checkbox"/> decontamination/decommission |   | <input type="checkbox"/> other             |

*(If more than one applies, select the one that most closely fits.)*

If you have any questions, call your ES&H specialist/representative.

**Work On-Site**

Indicate whether work will be performed on-site: ☐ Yes ☐ No

Indicate how long you anticipate the subcontractor will be on-site

**Security  
Access**

Indicate whether the subcontract will involve or require that the subcontractor obtain access to:

- |   |  |
|---|--|
| <input type="checkbox"/> special nuclear materials                                      | <input type="checkbox"/> Laboratory security areas   |
| <input type="checkbox"/> classified information<br><i>(indicate level and category)</i> | <input type="checkbox"/> limited-access Laboratory areas<br><i>(indicate the number of days)</i> |

- ☐ unclassified controlled nuclear information (UCNI)  
*(See Office Procedures Manual (OPM) 1-10).*

If any of the blocks above are checked, indicate whether the subcontract will require:

- ☐ a facility clearance *(indicate level and category)*  
☐ an individual DOE clearance *(indicate level and category)*  
☐ a classified mail or shipping channel  
☐ classified matter to be generated *(describe)*
